

Inventor: Evelyn Waters Parker  
Citizenship: United States  
Address: 187 Pine Branch Drive  
Stockbridge, GA 30281  
Title: picture/poster pals

#### **ABSTRACT OF THE DISCLOSURE**

The picture/poster pal is a device designed to provide simple attractive temporary display options for pictures, posters, sale notices, bulletins, etc. The design specifically eliminates the necessity for angle measurements. The pre-cut miters eliminate the possibility of measuring and cutting angles of incorrect spatial orientation.
